

RESPONSIBLE GAMING: TIPS FOR PLAYERS

RESPONSIBLE GAMING

www.playtron.bet adheres to the highest level of ethical standards. One of www.playtron.bet 's fundamental pillars is providing enjoyment for its Players and takes every necessary precaution to ensure that the fun element prevails throughout. Therefore, each Player has a restrictions function page that allows players to set per-determined limits to the amount they can play. www.playtron.bet Staff will also do its best to exclude minors and those who do not understand the responsibilities of online gaming.

Player responsibility checklist

- You should only ever play for fun. If you're playing in an attempt to win back losses, you are playing for the wrong reason.
- You should only ever play with money that you've set aside for entertainment - not money that you need for basic living expenses. Never play with borrowed money.
- Gaming is not intended to damage your relationship with family and friends. If you find that it's beginning to do so, you need to stop.

Recognizing your problem

- You are finding it difficult to control the time and money you spend on gambling.
- You are always thinking about gambling and finding it difficult to concentrate on anything else.
- You are experiencing financial difficulties.
- You are neglecting responsibilities like family, work, or your schooling because of gambling.
- You are borrowing money so that you can pay for gambling.
- You lie about your gambling or hide it altogether.
- You argue with your family and friends about your gambling.
- You see gambling as a way of getting out of financial trouble.
- You have lost your interest in your usual hobbies, activities, or friends.
- You constantly feel the need to gamble with larger amounts of money.

If you admit to any of the above points, then it would be best if you sought help. Here is a direct link to a recommended website that could help you facing your addiction :
